Chairman's Report for 2015-16

Branch meetings

The mainstay of the events organised by the BCS Edinburgh Branch is our Wednesday evening lecture series. These are driven by interests and demands, and if anyone has a topic they feel we should explore, or a site to visit, please contact a committee member.

This year is a month shorter than last since we decided to bring the AGM forward to be closer to our financial year end in August. Over the past 11 months we have held 12 events. We are, of course, very grateful to the School of Informatics for allowing us to use their facilities at reduced cost and to NCR for supporting our refreshments in the past.

First Lego League

For the past few years we have been sponsoring the Edinburgh tournament of the First Lego League. This year our funding assisted the girls of Leith Primary attend the UK & Ireland finals along with four other Scottish regional finalists. One of those, West Linton Primary School, went on play at the world finals where they won the World Cup Prize for Innovation.

BCS-in-Scotland

The BCS-in-Scotland group consists of the chairs of the four Scottish branches, together with BCS Specialist Group chairs resident in Scotland and other prominent BCS individuals in Scotland. Its purpose is to improve the BCS presence and visibility in Scotland and is partially funded by the branch.

The Young Software Engineer of the Year Awards are organised by ScotlandIS, the trade body for the digital technologies industry, and are given to the best final year undergraduate software engineering projects, drawn from across all students studying computer science and software engineering in Scotland. The BCS-in-Scotland group has again sponsored the £2000 second prize which will be announced on the 6th of October.

And finally ...

All the people on the BCS Edinburgh Branch Committee are volunteers and donate their time and energy free of charge. Without them we would not have a BCS Edinburgh Branch or a programme of events, courses and visits. If you have any suggestions for events or sponsorship please let us know. We are your branch.

Treasurer's Report and Accounts for 2015-2016

A draft copy of the accounts for the financial year 1 September 2015 - 31 August 2016 are attached.

The HQ allocation was £7,342 a higher than that for 2014-15 allocation of £6,733. We also raised £2,000 in SFRs compared to £15,950 in 2014-15. Income from Professional awareness courses was down from £9,930 to £3,455. However expenditure was also down from £21,605 to £11,559.

All this has resulted in us being in surplus by £1,238.

This is a significant improvement on the 2014-2015 surplus of £11,008.

BCS does not like branches to be in significant surplus as it ties up money that could have been used by other branches. However we are still at a 13% surplus and the target figure is +/-5%.

Item	2013-2014	2014-2015	2015-2016
HQ allocation	£4,500	£6,733	£7,342
SFRs	£10,250	£15,950	£2,000
Income	£5,686	£9,930	£3,455
Total Budget	£20,436	£32,613	£12,797
Expenditure	-£12,364	-£21,605	-£11,559
Surplus	£8,072	£11,008	£1,238

Out allocation for 2016-2017 has been approved and is £15,732 which includes both Lego League and Scotland IS Young Software Award.
