Grounds for nomination

Please tick one, or both, categories as appropriate to your nominee(s).

- I am nominating an individual (or group) who has significantly improved the quality of life of fellow citizens by means of ICT.
- I am nominating a remarkable individual who has overcome adversity with the aid of ICT and serves as a model for others.

Tell us why your nominee(s) deserves to be recognised by the Society.

The Award

In addition to an inscribed plaque, certificate and citation, a sum of cash, ICT equipment or other gift is given.

The upper limit to the monetary value of the award is normally £1000.

Please suggest the most fitting form of Award for your nominee.

How would the award of cash, or the equipment that you have suggested, contribute either to the continuance of the community work you have cited, or to the quality of life of the nominee?

Declaration by nominator

In making this nomination I have exercised professional judgement as to the merits of the case and the suitability of any equipment suggested.

I am not related to the nominee and have no vested interest in the outcome of this application.
